

New Catan Merchandise from Creative Goods Companies (CGC)

by c. RICE

Creative Goods Companies (CGC) are proud to announce our new line of *Catan*® merchandise! These wondrous items let you represent your favorite game anywhere, anytime—at home, at the office, or best of all—game night!

Rivals for *Catan* Playmats:

These new playmats are one of our most exciting offerings. They provide the perfect card-friendly surface for the classic two-player *Catan* variant, help to explain the game and make gameplay smoother and faster than ever before! Sold in sets of two mats, one for each player.

Catan Hexagonal Phone Holder:

Keep your phone securely where it belongs—in your hand! This phone holder comes in the shape of every Catanian's world—the classic hex—and bears the *Catan* logo in gold on a black background. Keep your phone secure while making calls, taking pictures (including the ever-dangerous selfie) or surfing the web. The phone you save might be your own.

Catan Zipper Pull:

Make all the zippers in your life easier to pull, and more stylish with this perfect travel accessory. Bears the classic *Catan* logo in black and gold.

Catan Robber Pawns (Glass):

Upgrade your robber with these custom glass pawns. We all know a game of *Catan*'s "B" plot is the plight of the robber and his beloved family, so why not customize your game with this deluxe game accessory?

Catan Hats:

Celebrate your love of *Catan*, and shade on a sunny day, with our line of *Catan* hats! There's one for each resource (Clay, Grain, Ore, Wood, and Sheep) as well as Navy blue embroidered caps and a hat for the best (?) *Catan* joke of all time (Wood for Sheep).

New Catan Merchandise - continued from previous page.

Return to Catan Luggage Tag:

Make sure your luggage always makes it back to *Catan* with this stylish, artful luggage tag. Bears the image of a perfect Catanian sunrise on one side, with the tagline "Return to Catan". On the other side is where you put all the information about your personal corner of *Catan* so your luggage will always find its way home to you. Not necessarily at the same time but, you know, eventually.

Catan Slate Coaster Set:

These amazing coasters are laser-etched with the *Catan* logo on handsome, sturdy gray slate. Make sure to protect your furniture and your games from all that annoying, unwanted condensation. Perfect for protecting your valuables or killing ancient Roman generals when thrown from rooftops (time machine not included).

Well that's all for today! Be sure to visit our back cover to see most of the items described here and look for *Creative Goods Companies* online, on Facebook and on the world wide web. If you're a retailer and would like custom merchandise for your store, please reach out to our sales director at ddecker@creativegoodscompanies.com.
